## Sally the frog pattern

Isn't this just the cutest frog?! She is so easy to make. The legs, body, and head are all one piece so not a lot of sewing! If you know how to attach legs then this should be a very easy pattern for you.

**HDC- half double crochet**

## **Materials**

**Sport weight yarn in 2 colors I used knitpicks **Shine Sport Yarn** in blush and **Comfy Sport Yarn** in peapod**

**If you want a larger frog you can use worsted weight yarn and a **3.5mm crochet hook****

**3.25mm hook**

**12mm safety eyes**

**Fiberfill**

**Yarn needle**

**Stitch marker(work in continuous rounds)**

**Black embroidery thread or black yarn for the eyes**

**To change color:** You can insert your hook into the last stitch of the round, yarn over and pull through, then yarn over in new color and pull through. Slip st into next stitch. You can sc over yarn tails a few stitches then tie and tuck in the back. Don't forget to count the sl st in the next round.
